TIGHTEN GRIP ON WARSAW BY VICTORY

Teutons Unable to Force Russ
From Positions West of City,
But Win in Poland.

LONDON, July 24.—The Austro-German armies seem unable to force the Russians from the important positions to the immediate west of Warsaw and from the line along the Lublin-Chelm Railway, but the German victories in Northern Poland and north of the Polish capital have tightened their grip on the city and military critics say that the abandonment of Warsaw by the Russians again becomes more probable.

GERMANS CROSS NAREW.
After weeks of battering, the German forces for the first time have crossed the Narew river north of Warsaw and now have a considerable weight of men on the south bank of that river between the fortresses of Rojan and Pultusk, which a Berlin official statement describes as having been at-tempted irresistibly. The communication, however, does not state whether the fortresses capitulated.

REFUSE DEMAND OF BAYONNE STRIKERS

NEW YORK, July 24.—The Bayonne strikers were notified late tonight by officials of the Standard Oil Company of New Jersey that the company would not accede to their demands. The strikers immediately called a meeting and decided not to return to work on Monday.

CHECK CHARGES ARE DISMISSED

District Attorney Johnston yesterday dismissed charges against John Dietz and George Langman, who were arrested for passing alleged bad checks in Richmond and Oakland. It developed that on the checks no bank had been entered on the checks cashed for the men in a saloon.

"This case itself is evidence of a very careless watch on the checks presented," said Johnston. "This office will not issue any more warrants where such carelessness exists."

EVANGELIST TO SPEAK TODAY

Evangelist W. A. Cuddy of Washington, D. C., who has been holding open meetings at First and Macdonald during the past week, will speak on the same corner from 1 o'clock this afternoon and in the evening till 10 o'clock.

Cuddy has an interesting history. He was at one time sergeant-at-arms in the Arizona Legislature, a saloon keeper and, just prior to his conversion, under indictment by the Arizona Grand Jury for graft. He was converted in Stockton and immediately gave himself up and stood trial. He became later the chaplain in the Arizona Legislature. When paid for his first year's services he returned the money to the state, declaring that no man should be paid for praying.

He will speak today on "How the Jews will get Jerusalem through the present war instead of the Turks," and will also answer all questions. He has requested that he be permitted to speak before the World convention of the Adventists, to be held soon in San Francisco.

Mrs. A. V. Sparks of Marsh Creek Canyon is visiting at the home of Mr. and Mrs. Eugene F. Hammel.

EAGLE BALL AT EAST SHORE IS A BIG SUCCESS

Another social success was added to the credit of the local series of Eagles by the big annual ball which was held last night at East Shore Park. George Kennedy had charge of all arrangements and did himself famously in handling every detail. It was the twelfth annual ball and the most successful yet held.

FORMER LOCAL MAN ATTEMPTS TO END LIFE

John Backstrom, carpenter, formerly employed in Richmond by the Santa Fe, attempted suicide in a rooming house on Fulton street in San Francisco Friday evening by slashing his throat with a razor. He was taken to an emergency hospital, where it is said he will survive.

LOCAL BOYS FLEE FROM HOME

Little Steve and Carl Richofsky, heartless and wanting their mother, who fled over two weeks ago, and has since not been heard from, yesterday morning ran away from the Frank Finch Orphanage at Fruitvale, in which they had been placed. They reached Oakland and informed Broadway bystanders of their plight, and they were furnished with transportation to Richmond.

What will be done with them has not been decided by their father, Richard Richofsky, a potter.

TUNNEL VICTIM FUNERAL HELD

The funeral of August Keller, who was killed in the Santa Fe tunnel Wednesday night, was held from Our Lady of Mercy church yesterday morning. Rev. Father Sullivan said high mass over the remains, after which the mourners were carried to St. Joseph's cemetery, where the body was buried.

ANDERSON TAKES POSITION IN S.F.

R. C. Anderson, former principal of the local Polytechnic Business College, has accepted a position as outside man for the Heald's system of business colleges on this coast. He will take up his work in San Francisco Monday. Hundreds of friends will greatly regret their departure.

S.O. MAN WEDS OAKLAND GIRL

With several intimate friends attending, Miss Kitty Foley of Oakland and Wm. Healey, popular employee of the Standard Oil barrel house, were married in Oakland last night. They were attended by Mr. and Mrs. E. Sullivan of Los Angeles. Following their honeymoon they will reside in Richmond.

INFANT SON OF GYPSY CHIEF DIES IN SAN PABLO

Following the death of the 10-day-old son of Steven John, chief of a band of Gypsies now encamped at San Pablo, rumors were circulated that it had died of cholera. These were later denied. The child was buried in St. Joseph's cemetery in San Pablo.

Mrs. Mary E. Stewart, 534 Fourth street, leaves early this afternoon for a two months' visit with two sons and a sister in Washington. A son and family in Ellensburg, another son in Spokane and a sister in Wenatchee will be visited.

DEATH TOLL IN CHICAGO DISASTER TOTALS 2100

Officials of Ship Company
Are All Ordered Under
Arrest by Coroner
of Cook County

CHICAGO, July 24.—More than 1500 bodies have been taken from the steamer Eastland. Four hundred have been saved. It is now estimated that 2100 perished.

SAN FRANCISCO, July 24.—William Hale Thompson, mayor of Chicago, who is in San Francisco, stated last night that he would return to Chicago early this morning.

CHICAGO, July 24.—Coroner Hoffman announced late tonight that he had ordered the arrest of every official of the Indiana Transportation Company, which leased the Eastland. No individuals were mentioned in the coroner's announcement.

At 9:35 the public was admitted to the Army, and efforts to identify the dead began. It was announced that they would be admitted in groups of 25, and, judging from the crowds which surrounded the building, the coroner's aide believed it would take all night to let them all through. More than 900 bodies were then in the Army, and some of the officers said they had reason to believe 300 or 400 bodies still were in the hold of the Eastland.

CHICAGO, July 24.—That the capsizing and sinking of the steamer Eastland, crowded with excursionists, in the Chicago river today will go down in history as the greatest marine horror of modern times, seemed a certainty this afternoon. Doctor

MACHINE BALL PITCHER IN THE "VIM" THEATRE

One of the "automatic" baseball pitchers which has swept the East by storm is being installed in the old Vim theater building, and will be opened by the manager, H. P. Sullivan, and J. C. Casada, on Monday evening. This clever device, which enables baseball fans and players to get mid week and evening batting practice, is a very clever and scientific device electrically operated.

An immense sloping canvas, "field" occupies the rear end of the building, on which the different hits are marked, one base, two base, etc. Regulation baseballs are pitched toward the batter by the automatic pitching machine. Two of the "pitchers" will be installed by Sullivan and Casada, so that two battens may play at the same time.

EASTERN STAR INITIATE SEVEN

Seven members were initiated by Acacia Chapter, Order of Eastern Star, last night in Bank Hall. Mrs. Alice Runyon, grand sentinel of California, was a visitor.

Jack De Roco, youngest son of the former local real estate man, returned yesterday from Grass Valley, where he has been residing for the past 12 months.

WHITE FINISH FOR TUNNEL INTERIOR

The new municipal tunnel will be finished on the interior in snow white. This is in pursuance of the illumination specifications as with a white reflecting surface less electricity will be consumed in the lighting of the tunnel.

Work of applying the finishing coat of white manganese cement will begin tomorrow, and a large force of plasterers will be kept busy at the job for about three weeks, in which time it is expected to be finished.

Following the completion of the final cementing another week will be occupied in placing electric light globes and the hand railing to the sidewalk in place.

Not until Sept. 15 will the tunnel and highway be ready to turn over to the city. Paying work now progressing under the Warrenton Parking Co., is 60 per cent completed, and will be all finished early in that month.

A local man will be chosen to handle the electrical position vacated by Herman Miller, electrical expert of the Shattuck-Edinger company for four years past.

TO EXAMINE DOG FOR TRACE OF THE BABIES

The vicious brown bulldog which bit Andrew Cuelni of Pullman on the calf of his right leg, Friday afternoon, is still impounded, awaiting the arrival of Health Officer Blake, who will return to his official duties tomorrow morning. The disposition of the dog will rest upon Blake's report.

Cuelni has received treatment, but will not go to the expense of having the Pasteur treatment until he ascertains Monday whether the dog was infected with rabies.

Mr. and Mrs. James Towers returned Thursday from a two week visit to Seattle, where Towers attended the Shriners' convention.

Decisive Nature of Court Order on Hall Admitted

It was generally conceded yesterday that the special election to determine the location of the City Hall must be called and that there can be no more delay.

Even the Record-Herald, strong supporter of the Wall site, yesterday admitted: "Some contend that the cases will have to go back to the Appellate Court for a rehearing, but a careful reading of the decision does not justify this contention. It would seem that the decision holds that the council must immediately call an election not only on the referendum petitions that have been filed, but also on the initiative ordinance petition."

In the issue of the official court paper of San Francisco yesterday the following minutes were printed:

S. F. 7371.—Hopping vs. the City Council of the City of Richmond, et al. Let the writ issue as prayed for (mandate). Shaw, J. We concur: J. Lorrigan, J. Stone, C. J. Angell, J. J. Hendon, J. Lawler.

S. F. 7370, 7373, 7375, Hopping vs. City Council of the City of Richmond. It is advised that peremptory writ issue in each of the aforesaid cases numbered 7370, 7373, 7375, respectively, commanding the city council of the City of Richmond, forthwith to call a special election for the purpose of submitting to the qualified voters of said city, for their approval or rejection, the particular resolutions which are made subject of the respective petitions in said cases.

Various sites besides the Nichol site are being discussed, including a centrally located site near Sixth and Macdonald.

Locusts Brought War Message; Now Predict Peace

As strange as a letter received on September 9, 1914, by a local resident, is the letter received yesterday by the same resident from his same correspondent in Lima, Ohio.

In the letter of last year the Ohioan told of how the present world war was presaged by the locusts. The article printed in the Daily News at that time was as follows: "A letter received here yesterday by a well known Richmond resident from a friend in Ohio contained the rather startling information that the present world war in Europe had been augured by the huge droves of locusts which have swept down upon the state this year. According to the writer, upon the wings of which can be seen the letter 'P' on their wings. He again sends one of the locusts, on the wings of which can be seen the letter, and also sends a clipping from a reputable Eastern newspaper, which states that the 'P' stands for Peace!"

In the letter received yesterday the Easterner tells of a few personal experiences with the locusts which this year bear the letter "P" on their wings. He again sends one of the locusts, on the wings of which can be seen the letter, and also sends a clipping from a reputable Eastern newspaper, which states that the "P" stands for Peace!

Grauman Books Tanagra; Last Show Here Today

Sid Grauman Sr., the famous theatrical impresario of San Francisco, will undoubtedly book "Tanagra," the wonderful optical illusion, which has been exhibited at the Lyric theater during the past week for the benefit of the police widows' and orphans fund. Grauman attended the performance given yesterday afternoon, and expressed himself as highly desirous of booking the stellar attraction for a tour of the Sullivan & Conscience circuit of theaters on the coast and Western states. He stated that he would sign the act if he could come to terms with the manager, who was not present at the time.

The last performance of "Tanagra" will be held this afternoon and evening. Prices have been reduced to 10 and 20 cents.

Mrs. Henry Olsen will give a whist party for the benefit of the St. Mark's church, in Pythian Castle, August 11. Prizes will be given.

BID FARWELL AT BANQUET; TO ENLIST

Popular Local Man to Fight for
Italy; Did Consul Agent Break
Neutrality Laws Here?

Frank Alamo, popular member of the west side Italian community, departed for the war front, together with 100 other Italians of San Francisco and other bay cities, who passed through Richmond at 9:15 last night on the Santa Fe, having a banquet in the Hotel Triton en route.

Previous to departing, Alamo had a banquet in the Hotel Triton en route. Many at the banquet heartily expressed their intention of soon hastening to the aid of their distressed fatherland.

Alamo has been interviewed several times relative to enlisting as an agent of the Italian consul in S. F., stated friends last night. Others have also been approached, a round trip ticket to Genoa and pay while on the way being offered them as inducements. Alamo was a pump-er at Winehaven.

CAPITAL AND LABOR IN GREAT BRITAIN.

The American public has had, in the main, but one side of the story of the contest in England between the government and the employers on the one hand and the labor unions on the other. That the unions have made demands is unquestioned, but little has been said of the causes. The increase in the price of foodstuffs since the beginning of the war has been about 43 per cent. The price of meat in particular has risen to such an extent that in many cities and towns meat stores find it necessary to keep open only two or three days a week. The price of bread has nearly doubled. The four-pound loaf, which last August was selling for 11 cents, has gradually risen in price until in May it was selling for 18 cents. Figures are also given which show that English prices for nearly all articles have risen much more than those of Germany or Austria.

But the main complaint of the unions is that the employers have been vastly enriched by the war and that they refuse to share their prosperity with the workers. An instance is given of one of the leading milling and flour firms whose annual report for the year ended in February shows a profit of \$1,839,325, against \$446,760 in the previous year. Other instances are given of shipbuilders, leather manufacturers and makers of supplies in many lines of trade heaping up great fortunes. Many of these firms have refused to treat with their workers regarding wages and to some extent have been backed up by the government.

In spite of the complaint of the recruiting agencies that volunteering has been slow, it is known that the number of recruits has been greater than that expected, and that the skilled laborers have furnished a great part of this army. More than seven hundred and fifty thousand trade unionists are said to be in the ranks. In fact, the shortage of skilled labor due to this general enlistment has caused the government to withdraw numbers of mechanics from the army and return them to their old occupations.—California Outlook.

The next party of the series will be held Thursday, Aug. 12.

Basement excavation for a two-story building opposite the new Grant school on Main street started yesterday. Sullivan Bros. are doing the work for J. A. McMeekin, agent of the property.

a show which could compare with the one to be given by the Richmond theater today. Vaudeville at its best, combined with four great pictures.

The big feature of the bill will be "The Battle of the Navies" and the "Sinking of the Lusitania," a mechanical contrivance, which produces in the audience the feeling that they are right at the scene of one of the world's greatest catastrophes. The act is presented by Mr. Chester, who has shown it on the biggest vaudeville circuits of the land.

Another feature of the bill will be German's Models, a study in bronze posing, in which artistic representations of bronze statuary is made by living models. The Chipola Twins, with their trained bear, are another wonderful act, as is also Mabel Dargach in songs and stories.

The feature reel will be "The Lure of Mammoth."

THEY PERSIST; BUZUKOS WILL WRESTLE HERE

Next Thursday night the fans of Richmond, who like the wrestling game will have an opportunity of seeing a world's championship match at Floyd's Eighth street pavilion. Peter Buzukos, generally admitted to be the welterweight king and the best grappler the Greeks have turned out in some years, will grapple with Steve Oneto, the Italian welterweight champion of the Pacific Coast. Oneto hails from San Francisco, while Buzukos calls Oakland his home. Buzukos has been wrestling very often of late and he is yet to be beaten around the bay section.

In order that there will be plenty of action during the evening, Promoter Kirby Floyd has arranged for two preliminary matches to immediately precede the main event. Joe Peterson of San Francisco will try holds with Tony Platt of Oakland and Joe Geary of Portland, Ore., will try to put Pete Mitchell of San Francisco on his back. Although the preliminary wrestlers are not champions, they are better than the wrestlers the fans of Richmond have yet had an opportunity of seeing in action.

All matches will be for the best two falls out of three. A competent referee, who knows all the points of the game, will be selected later. The prices of admission range from 50 cents to a dollar.

The fans of Richmond are exceedingly lucky in getting an opportunity to see a performer of the caliber of Buzukos in action on a local mat. Buzukos is a real star, not one of those ham and egggers with a reputation that blows into town, loses a match and then blows out again. Buzukos' reputation as champion will be at stake in his match with the tough Italian lad.

"RICH" MAKES ANNOUNCEMENT OF NEW CARD

Promoter Kirby Floyd has announced the date of the next series of fights as Friday night, August 6. Already Matchmaker Raymond S. Richmond is arranging his latest card. Jack Davis, the local boy, who made such a wonderful showing against the experienced Billy Alvarez on Thursday night, has been re-matched to battle with the tough Oakland lad. These birds will mix in the main event.

"Rich" is seriously considering staging a double main event. Kid Smiley, the sensational Oakland slugger, will be a principal in the other main event if it is arranged. It

is probable Dick Dixon of Richmond, another home guard who looks good, will battle with Smiley. Dixon is already working out and his friends are pulling hard for him to grab the match with Smiley. The boys, if they fight, will battle at 133 pounds ringside.

In the special event Al Mejia, Richmond bantamweight, who has trimmed Young Butch and Kid Lewis, not to speak of others, will battle with Joe Gomez of Oakland. Gomez is one of Henry Rose's proteges. He is the lad who made Kid Lewis look

foolish a month ago. Gomez and Mejia should make a good match.

It is up to Mejia to show the local fans he is there. Mejia has been a dandy little press agent for himself, but he has to show the fans he is there before they will think he is as good as he says he is. They are still wondering why he didn't fight Jimmy Duffy at the Wheelmen's the other night. Hereafter Mejia's fighting must speak for Mejia. He has said enough about himself. Actions shows this Gomez something he will will speak louder than words. If he

have some credit coming, for Gomez is no slouch.

Kid Thompson of San Pablo wants to go on with Jimmy Duffy, the fast little Oakland bantam, and it is possible this match will be arranged. Duffy is infinitely more clever than Thompson can hope to be for months, yet if he lands that awful wallop of his, Duffy will hear the birdies sing. This match may be clinched in a couple of days.

The rest of the card will be announced the first of the week.

CURTAIN RISES ON THE GAME OF THE SEASON

And When it Falls It Will Be On the Neck of the Colts

Therefore, Say We, It Will Indeed Be Curtains for Colts

How quickly the scene of baseball interest changes! But a few weeks ago a game in which Richmond-Petaluma had a tar-and-feather contest was the only thing that would coax the fan to shell over five jits.

Richmond hangs the Indian sign on Petaluma, and the scene quickly changes. Sebastopol lures hundreds of local fans to their lair, and gets the local nine tangled up in their own tar. Interest waxes and on the following Sunday the Delmasians couldn't play for sour apples, and the locals romp away with the game.

A bunch of mediocre teams romp before the local fans for the next few acts, and again the fans sink into their seats, yawning.

REMYER IS MILD.
"Richmond Elks, fastest semi-pro in the state, vs. Martinez Colts, braced up with P. C. L. players," is the act announced. One fan that is awake, reaches over, twinks another by the ear and hoarsely whispers: "Here's a good one." And so on. The fans all wake up, and warm up, the pitchers warm up, and the

GAME IS ON.
This afternoon at Luce Park. And it is going to be one of the best staged on the lot this year. Mr. Frank Gordon of Richmond, pitching for the Richmond Elks, will oppose Mr. —, pitching for the Martinez Colts.

Yes, it is a great mystery. One that will alone draw hundreds to Luce Park to see one of the hardest fought games of the year. McNamara insists that Infant Danzig will pitch, but then you know, he's an awful kisser. And he knows too much about baseball and self-protection to trust his chances of winning the game to Danzig, and of attempting to live in Martinez again if he loses today's game. McNamara's ale house in the county seat town would be deserted as Wall's Hall on the harbor front will be after the election, if he doesn't make a good showing this afternoon.

And we think he knows enough about the game to have a larger caliber pitcher on the mound this afternoon, and that he will make a good showing.

Gordon will start and Schinkel will be there for a strong but unnecessary reserve. Martinez will line up as follows (? ? ?): Danzig and Wilcox, pitchers; Jackson, catcher; Jacobs, first; Murray, second; Sweeney, short; Gross, third; Vanni, center; Ahern, left, and Marshall, right.

Jeff Woods of Vallejo will indicate for Richmond and Jack O'Leary of San Francisco will indicate for Martinez.

Eighteen rustic piping Pans, from the peaceful city of Concord, will too their footstools and beat the band to furnish the funeral dirge for he Colts from Martinez today.

Mejia Matched With Gomez; No More Dreaming

Al Mejia is going to scrap again! Just to prove that he isn't a dreamer and that his boxing talent can give him something more than "a purely intellectual pleasure," as so aptly put by the erudite sporting editor of the Daily News, the little boxer has agreed to meet Kid Gomez, the fast Oakland boy, who recently took a decision from Kid Lewis of San Pablo.

Gomez, according to Mejia, weighs 116. Mejia weighs 110. The local boy has started training already. At that, it is up to Mejia to defeat Gomez decisively. If he does he'll be something of a drawing card.

We want more local boys in the boxing shows.
